Northwest FEST 2016

Arts • Health and Wellness • Academics

Saturday, March 5, 2016

9 a.m. – 3 p.m.

Reseda High School

- An exciting community event is being planned for Local District Northwest parents, students, school staffs and community partners to highlight the incredible programs in our Local District Northwest schools.
- The event will focus on the arts, health/wellness, and academics. Schools will "show off" their best programs, including student performances, booths for schools to highlight exemplary programs and health and wellness opportunities for community building and fundraising.
